

SHCC Student Ministry

Hello, Parents!

Here is some info regarding changes to our Student Ministry:

First of all, we have moved our Student Ministry from Wednesday evening to Sunday evening. This is a win/win for everyone as our church is growing and we need more space. So our Jr High AND High School Student Ministry will have their own night on Sundays, and have the church to themselves!

We will run from 5:30-7pm, and begin with free time/hang out in the Fellowship Hall. Then we will move to the auditorium for worship with Ryan, the message with Jeff, then we will break into small group

discussion and game time. I'm so excited and ready for this to start, and there is more room for everyone to invite their friends!

(For those of you with Elementary age children, they will still meet at SHCC on Wednesday evenings, 6:30pm-7:45pm. If you live outside of Lebanon and your student needs a ride, whether it's Sunday or Wednesday, please contact us!)

Our kick-off for Student Ministry is this Sunday, January 27th. We are hosting AYN (Area Youth Night for churches that are affiliated with Gasconade Christian Service Camp) at the YMCA for FREE! It is 4-8pm, with swimming from 4-6pm (please bring a swimsuit and towel), basketball, games, worship, a message, pizza, soda and more! There will be several other churches involved, too. The students are encouraged to bring friends, as we have the YMCA to ourselves!

The Sunday after is the Super Bowl on 2/3.

Then we will begin meeting every Sunday at SHCC, beginning February 10th, 5:30-7pm. We will have a van driver, so let us know if you live outside of town and need a ride. If you have any questions about any of this info, do not hesitate at all to contact me: (417) 533-2485 or tonya@shcclebanon.com
